Agroecology Living Labs and Research Infrastructures in Europe – experiences from ALL-Ready & AE4EU

Date: 27th September, 2023

Venue: Committee of the Regions, Brussels

Save the Date!

The [ALL-Ready](#) and [AE4EU](#) consortia jointly invite you to their final conference hosted by the European Committee of the Regions.

The one-day conference will shed light on how the two projects paved the way for a European Network of Living Labs and Research Infrastructures. Experiences from involved Living Labs and Research Infrastructures will give practical insights and a focus will be on how Regions can best support the agroecology transition with the help of Living Labs and Research Infrastructures and what role the future European partnership “Accelerating farming systems transition: agroecology living labs and research infrastructures” will play.

Registration will open soon – for more information see [here](#).
